## ***Tragedy Strikes***

We are all aware of the tragedy that took place in New Town, Con. shortly before Christmas. At this writing the details are still being sorted out, but none of that sorting will erase the pain of this senseless and tragic act. People everywhere carry burdens of guilt, fear, anger and confusion. To these and to all of us Jesus promised: "Come unto me all ye who labor and are heavy-laden and I will give you rest". Most of us stop at this point and find comfort in the promised rest but Jesus goes further; "Take my yoke upon you, and learn from me; for I am gentle and lowly in heart, and you will find rest for your souls. For my yoke is easy, and you will find rest for your souls. For my yoke is easy, and my burden is light." (Matthew 11:28-29) Jesus' promise of rest comes with the challenge to join him in the task of bringing people into the Kingdom of God. Rest and yoke go together. As we mourn the tragedy of New Town, let us stiffen our resolve to share the healing love of Christ.

It's high in calories. Those who eat their way through the holidays. Stop eating so many sweet treats. Cut way back even as far as just eating three meals a day. You will see a real difference. ## **CHURCH WILL BE OPEN!**

The church will be open on Mondays and Tuesdays from 9:00-12:00. Both Rev. John Tharp and Secretary Cindy Cuny will be there during this time. You're welcome to stop in just to talk or give us your suggestions or opinions. New ideas are welcome.

## *Annual Reports*

Please get your reports in by January 4<sup>th</sup>! This will help our Church Secretary so she has time to process them into a book. This will prevent stragglers. You know who you are! Our annual meeting is on January 20<sup>th</sup> after church. Remember each board and committee and officer should submit a report. Thank you.

## *Parsonage in Use*

Finally...we have come full circle with a Parsonage that, at one time, was going to be sold. Now, it is a home for our Interim Pastor, Rev. John Tharp and his wife, Nancy. With the exception of a few last minute items, everything seems good.

A big "Thank You" needs to be said to our Parsonage Project Manager, Marcus Rotundo, who oversaw the range of details to get the parsonage back in shape. In addition, a few professionals and a number of volunteers have put in many hours to make this happen. It just would not have happened without this dedication along with anonymous and additional monetary and needed item donations.

Now, with this in place, all of us need to be supportive of our Interim Pastor and his ministry during this transition. We, as well, need to encourage and assist our Search Committee as they seek to find a new Pastoral Family for us.

## *Ongoing Church Projects*

Yes, we have accomplished the primary challenge of getting the Parsonage ready for occupancy. However, we are still faced with other project needs that your Trustees and others will be working on during the New Year. They are:

- \*Installation of a new phone/internet/cable system for the church and parsonage
- \*Clean and paint our outdoor lighted message sign
- \*Replace the 4 church location signs at the outskirts of the village
- \*Replacement and/or repair of our church organ and, possibly, our hand bell sets
- \*Re-activating our church library
- \*Clean and reorganize the church basement storage area
- \*Add capability to our church sound system to provide for the hearing challenged
- \*Update/replace Nursery flooring
- \*Determine installation options for old kitchen cabinets from parsonage
- \*Purchase new fellowship hall chairs and arrange for sale of old ones

All these and perhaps more need the support of the entire congregation. Therefore, please let any of the Trustees know how you might help or what suggestions you have so that all of these projects can be done as a coordinated effort. Thank you!!

## *Financial Status*

GOOD NEWS...all bills are being or have been paid and we are current with all expenses involving the parsonage. Of special note, we are current with and ahead of schedule on our 2012 Benevolence Giving. Based on our year-to-date giving, we should be at \$5,200.00. So far we have contributed \$5,400.00!! We have also contributed over \$2,300.00 to special annual mission offerings. Based on per capita giving across the state to mission efforts, our church remains among the highest!. Thank you to Marcus Rotundo and Grace Fuller for their excellent record-keeping.

We have also had a number of fund-raising events that have provided added finances and chances for fellowship. We're looking for more of the same for 2013. Please continue praying for and supporting efforts that are pursued. Rewarding physical and spiritual opportunities await all of us in the New Year.

## *Acolytes*

We are planning to give our younger children the opportunity to serve at Sunday morning worship services by becoming acolytes. An acolyte is part of the worship "team", lighting candles before the beginning of the service, and, after the Benediction, extinguishing the candles and taking the flame down the aisle and into the vestibule. Acolytes must be 8 years of age or older and will serve on a rotating schedule, just like worship and youth leaders. There will be a training session announced once we have a sufficient number of volunteers. If your child is interested, please contact any of the deacons as soon as possible.
