“Our mission as a church is to share and respond to God’s love for each person by welcoming all. Together, we can return God’s love by becoming witnesses and followers of the teachings of Jesus Christ throughout our daily lives. We allow these things to help us become new people in Christ”.

HEALTH TIPS!

First Health tip: Place all the food you will eat for one meal on a plate. Then make a fist I call this Cindy's rule of five. Place it over your plate anything you see you don't eat. Your stomach is only as big as your fist. Think about how much less you would be eating. You can loose weight and save money at the grocery store. Remember to do this with each meal and snack. Good luck let me know how well it works or not!
